

# SET IT & <sup>never</sup> FORGET IT

Automate celebrations that drive collaboration and connection.

Recognizing milestones isn't just nice — it's necessary. At Successories, we believe small moments lead to big movements. That's why we built **tmwrk™**, a recognition platform designed to automate anniversary celebrations, empower managers, and make employees feel seen on the days that matter most.

Workflows to Work More Engaged.

## We use it ourselves for Team Successories.

It's helped us:

- Build a team across 3 continents
- Maintain an average 7 years of tenure
- Drive 100% participation in recognition
- Create a culture of meaningful connection

It works because we never miss the moments that matter...and neither will you!

## Where Teams Vibe & Work Thrives.

**tmwrk™** is your all-in-one employee milestone engine:

- Automated milestone tracking
- Curated award boxes shipped directly to employees
- Personalized recognition cards
- Years of Service Awards
- Reporting and KPIs for HR & leadership
- Employee-managed profiles to foster connection and keep team data current

Whether you're managing 20 employees or 2,000 in-office or remote, **tmwrk™** makes it simple to scale your celebration culture.

## Service Anniversaries Matter
